

## **Business Managers Report for September 2019**

Members Out of Work: Plumbers-2, Fitters-4, HVAC-1, Apprentices-0, Members Traveled Out-13

There are very few members out of work at this time, some members don't want to go out to work right now or we can't get a hold of a few, so please update your information with Beth or Jennifer if you have moved or gotten a new phone number.

We need Un-indentured Apprentices, if you have a family member or a neighbor looking for work send them to the Hall, we only need a valid Texas ID or driver's license and a \$15.00 money order to T.S.P.B. to apply for an Apprenticeship card. The pay is \$12.50 an hour.

I attended the SW Pipe trades meeting in Fort Worth on August 21<sup>st</sup> and 22<sup>nd</sup>., we were reminded that on September 15, 2019 the Local needed to start sending in the 0.10 an hour for the UA Organization Fund. We have a resolution that has been read once at the August Regular Union meeting to take it out of the Market Recovery Fund, meanwhile we will take the contributions out of the General Fund.

The UA-MCAA will be holding the UA-MCAA-Officer Seminar Conference on October 28, 2019 thru October 31, 2019 in Las Vegas, we are strongly asked to send an Apprentice and Business Agent along with the Manager to the Conference, 4<sup>th</sup> year Apprentice Cameron McInnis was picked to attend. The UA is trying to get Apprentices exposed to how things work with the Locals and the UA and hopefully get them involved in the future.

Heads bowed for Brother Ricky Harbort, he was 65 years old and a 39-year member and Brother Doyle Johnson he was 87 years old and a 67-year member. They will both be missed.

Just a reminder that you can pay dues online or by calling Beth or Jennifer at the hall, the info for paying online is on our website.

I hope everyone had a safe Labor Day weekend.

Fraternally,

Mark Potter  
Business Manager
