RE: Guardian® Dental & Vision Benefits effective March 1, 2022

The Trustees of the U.A.P.P. Local Union No. 142 Welfare Fund are pleased to announce that the Fund will begin to provide Dental and Vision benefits March 1, 2022 to all eligible participants and eligible dependents.

Attached is information on the new dental and vision benefits for you and your eligible family members. New ID cards will be mailed to you within the first two weeks of March directly from Guardian Life Insurance Company of America. In the meantime, to access your benefits, you can use the generic ID Card attached. To use this generic ID card, you will need to provide your Social Security Number to the dental and vision provider to receive services. This ID card includes the Member Service telephone numbers for Dental (800-541-7846) and VSP Vision (877-814-8970).

Please direct all questions regarding benefits and claims to these telephone numbers on and after March 1, 2022.

**Note:** Receipt of this Notice does not automatically entitle you or your eligible Dependents, if any, to the benefits provided by this Welfare Fund. For you and your Dependents, if any, to be eligible for benefits under this Fund, you and they must be otherwise eligible for all other benefits provided by the Fund. Please contact the Administrative office if you have any questions.
